CENTRAL PLANNING STAFF

PLANNING DIRECTIVE NO. 14b

1. Paragraphs 2 a, b and c of Planning Directive No. 14 have been complied with. The comments of the Intelligence Branch show that, with regard to the specific subject of foreign resources potential:

a. Action under 1c (1) should be deferred until the Essential Elements of Information problem is further developed.

b. Action under 1c (2) should be deferred pending study of the similar problem for all classes of intelligence information. A separate Planning Directive (No. 25) will be issued on this subject.

2. The next informal progress check with regard to Planning Directive No. 14 will be made on 22 May.
